Sir,

With reference to correspondence ending with letter No 2758 Med 11-14-12 dated 16th September 1914 from the Secretary to Government,General and Revenue Departments,about increasing the Grant-in-aid to the Unani Dispensary in the Tumkur town from Rs 20 to 30/- per mensem, I have the honour to state that the Municipal council of Tumkur have again resolved in their meeting held on 20th october 1916 that Government may be requested again to accord sanction to increase the Grant to the Unani Dispensary from Rs 20/- to 30/- per month, in consideration of the facts (1) that the popularity of the institution is increasing day by day (2) that the cost of bazar medical articles required for preparing the medicine according to Unani system having gone high,the Hakim of the Dispensary finds it extremely difficult to maintain the institution with the help of the monthly grant-in-aid of Rs 20/-now being paid by the Municipality and (3) that the financial condition of the Municipality admits of the Grant being increased by Rs 10 per mensem.

Copy of the Municipal council's resolution in the matter is herein enclosed for perusal.

The question of increasing the grant to the Dispensary under the circumstances represented above,also forms one of the local subjects brought forward during the current year by the Representative Members in this District who have prayed for the increase of Grant to

Sir,

With reference to your docket No. 3815/Med.11-16- 9 dated 13th December 1916 requesting me to obtain and forward for the orders of Government a statement furnishing in detail the last 12 months' accounts of the Unani Dispensary at Tumkur, to show how it is managed and financed, I have the honour to forward herewith a statement furnished by the Hakim in charge of the Dispensary from which it will be seen that the total expenditure per annum is Rs. 882/- giving an average monthly expenditure of nearly Rs. 73/-. The amount of monthly contribution which is being paid by the Tumkur Municipality to the above dispensary is Rs. ~~25~~ 20/- per month in addition to which the Hakim is stated gets an average income of Rs. 15/- per month as reward from a few well-to-do persons who are benefited by his institution.

The Vice President, Tumkur Town Municipality reports that the majority of the patients attending the institution both from the town and from the Mofussil stations are poor and no reward is being paid by such persons, the institution is an old established one with good reputation, and that in order to keep up the name, the present Hakim has been managing the institution with difficulty incurring as he states some debt.

In the above circumstances, I request that sanction of Government may kindly be accorded to the increase of the grant-in-aid to the dispensary in question as recommended in my letter No. I.F.S.Ar.3.
